not been for your strong and forcible recommends

It is really a pity this specific should not be an

proved by medical men, and like all patent drugs

should suffer the imputation the public generall

give to such preparations. I myself, who was a ways opposed to a patented specific, took this medi-cine with reluctance, and without confidence in it

and it was only through your disinterested, friendly

reociamendations, and my critical situation that in

duced me to try this really beneficial Vegetable

that they are at liberty to make use of my name in

the support of the good effects of Dr. Hampton's

Vegetable Tinoture, as it has cured me in five weeks

of a chronic Inflammatory Rheumalism, contracted

under tropical climates, and of seven years' periodica

duration. I have only used three bottles, and find that even the deformed parts of my hands are fast
